

Luck of the Irish smiles on Changi Millionaire

The 'luck of the Irish' stayed true this weekend, as 52-year old Ms Linda Tobin beat six other finalists to become the sixth S\$1m (\$700,438) Changi Millionaire in the history of the event.

All seven finalists battled it out in Changi Airport T3 over the weekend in the 'Be a Changi Millionaire' face off, egged on by a 'live' audience who encouraged three Singaporeans, one Indonesian, one Malaysian and one Briton in their efforts to win.

The competition for the grand prize involved three rounds of games followed by another three elimination rounds, with Tracey Tomlinson, 51, from Briton finally taking on Linda Tobin.
