More than 400 attend TFWA China's Century in Hainan

TFWA has announced that 418 delegates attended the fourth TFWA China's Century Conference in Sanya, Hainan island, this week - an increase of +1.5% on 2017's event.

The popular TFWA ONE2ONE service hosted 115 meetings during the course of the three-day conference held in partnership with APTRA at the Grand Hyatt Hotel in Haitang Bay (5-7 March).

A carefully curated conference agenda addressing, among other topics, the continued growth of China's booming offshore duty free business coupled with a dynamic social events and networking programme kept guests busy.
