

Rituals expands Namasté skincare line with body care products in travel retail

**The Ritual of Namasté natural skincare collection has been extended to include a complementary body care line, Rituals has announced.**

Crafted to celebrate the power of nature and comprising five products – Body Scrub (250g), Shower Cream (250ml), Intense Hydrating Body Cream (220ml), Intense Hydrating Body Cream Refill (220ml) and Natural Deodorant Stick (75ml) – The Ritual of Namasté Body collection is available in travel retail.

Rituals says the advanced bodycare range unveils the skin's nature radiance using natural ingredients and fragrances from the world's leading laboratories.

**The new range draws on natural ingredients and fragrances from the worlds leading laboratories.**

Natural or naturally derived ingredients in the range include Holy Lotus, White-Water Lily, Sweet Almond Oil, Shea Butter, Natural AHA and Vitamin E.
